“ Jane was a dear friend full of light and compassion for all. She was my soul friend from the Jesuit Retreat Center where she guided so many to find a God who loved them. I will miss her power, all that power in such a tiny person! The power of love. The power of hope. The power of kindness. Jane was all that and more. So grateful she touched my life.

“ To George and family, We will miss Jane and her beautiful, calm, gentle spirit. The two of you were a beautiful couple, and we so enjoyed the times we shared a meal and laughter with Sheila & Greg, Carol and our family celebrating birthdays, weddings and friendship. Jane was always someone you could confide in. Her intellect, wisdom and laughter always added brightness to every situation. From my younger days at St. Joseph's through her tenure at BW and on through the seasons of our lives she was an ever present source of love and comfort. I so enjoyed hearing about your travels, especially to France and Honfleur. We love you, and will miss Jane always.

“ Jane was the kindest person. She lived a beautiful life and made the world better for everyone in her life. She was generous, intelligent and had the greatest giggle God ever gave any of His creatures. I'll never forget how beautiful and happy she was the day she married her darling George. Safe away, dear Jane.

“ Jane cared so much about promoting the best in everyone around her. Jane taught me about forgiveness and leadership. Jane never shied away from confrontation for things she believed in. She was always the teacher; using her knowledge and compassion to improve the people and things around her. I'm very fortunate to have listened to her and to of been her friend.
