“ I worked with Jane in the 1970's. She was a pleasure to work with and taught me a lot of things that I use in my career today. Also a wonderful, dry sense of humor! Dave Cunningham

“ Jane was always a pleasure to be around. I haven't seen her for many years as I live far away but I remember that I enjoyed sitting outside chatting with her at her house during family gatherings. She was always upbeat, and way into her golden years she was still wearing high heels! I know she was very loved by all of her family members. My sincere condolences to all.

“ Since I didn't know her, my only memory of Jane, is how very much her granddaughter, Connie, loved and admired her. So sorry you have to say goodbye, even though the life was long and well-lived.
