Janet Marie Mills (nee Metz), 90, passed away surrounded by her family on August 20, 2023. She was born in Lonaconing, MD, on January 26, 1933 to the late Raymond and Mary (Foote) Metz.

Janet retired from Gould where she met many lifelong friends. Friends of Janet's would often ask her children if they knew how lucky they were to have such a wonderful woman for their mother - yes, we did, we were truly blessed. Janet was the sweetest, kindest, most caring and loving woman you could ever meet. She always had a smile on her face and shared it with everyone. Janet's faith was an important part of her life. She was a member of the

Willoughby Hills United Methodist Church. She was a music lover and played the piano. She always had music playing in the home and it wasn't unusual to find her singing and dancing along with the music. Early in their marriage, Janet and Paul moved to California. She loved living in California, and although she and Paul moved back east, California was always in her heart. Janet loved being a grandmother and spending time with her grandchildren. She planned yearly family trips with her children, grandchildren, sister and their families to Myrtle Beach and North Myrtle Beach, leaving us all with many fond memories from these trips together. Janet enjoyed vacationing there and would plan three to four trips a year. She loved floating around the lazy river and hunting for seashells. She taught her family the secret to finding augers and olives. Janet will be greatly missed.

Blessed are the pure in heart for they shall see God. Matthew 5:8

The family would like to thank those who cared and supported Janet and the family throughout the years.
