“ You are my world, my life, my warmth and I am your son. Your unconditional love and care you gave me throughout my life for better or for worse is unrepeatable. You, Grandpa, Grandma Hale, Mary and my kids never turned your back on me. You never gave up on me. Because of you and Grandpa, I became the first police officer in our family. I wore my shield proudly and will live by my oath until I die. I love you, Grandma. Please continue to give me the love, hope and strength, so that when God calls me, I know I fought the good fight. Just like you, Grandma. See you in heaven. God bless.

“ We love you Grandma!! You are already dearly missed. After watching Grandma perform many insulin shots our Troy said he wants to be "tough like Grandma Birdie." Grandma was tough and yet so warm. Enjoy your new life with Eddie, Grandma!!!
