“ To the family of Jeff Hunter:

Sally I just wanted you to know what a fantastic person Jeff was to us. I got the opportunity to meet Jeff in Arizona early this year. Although, I did not know Jeff for to long, my wife and I had such a great time with him in Cancun on the company trip this past April. Jeff was truly a very compasionate person to others. He welcomed my wife and I with open arms and we welcomed the new friendship we had made with him. We will miss him very much. I just wish we could have gotten to be even better friends. Our hearts go out to your family. May God Bless you all in your time of need.

I will always remember him "fishing" on vacation in Hilton Head. With Love and Prayers, Kerrie Sperling Heller*

My heartfelt condolences on the loss of Jeff. I will cherish all the great times we had at St. Joe's, as well as hanging out on the weekends.
I can still picture pitching to him when we played baseball for St. Joe's. He always had a smile his face and was so much fun to be around. You will all be in my prayers.*

“ To the family of Jeff Hunter,
Just a note to let you know how much Jeff was appreciated out in the agency field. He was always so helpful, had such attention to detail and made sure everyone had what they needed to enable them to do their jobs better. He came to our Client Appreciation Days the past couple of years in Wooster at The Fike Agency and his absence will be noticed. He was a good man and he will be missed by his business associates. My deepest sympathy to you all.
