“ I heard the news of Jeff’s passing. I’m Jennifer Anderson(Ickes), Brian Ickes’ little sister. Jeff was my brothers roommate in college at BGSU. I always remembered him because he was ALWAYS SO JOYFUL!!! I am 7 years younger than Jeff and Brian. When I visited them at college (I was 11-12... lol), they both taught me how to play Euchre. I have never forgotten that memory. I will pray for your family’s hearts to heal from this great loss. Thinking of you today.

“ *Keep Me in Your Heart*
Song by Warren Zevon

*Shadows are fallin' and I'm runnin' out of breath
Keep me in your heart for a while
If I leave you it doesn't mean I love you any less
Keep me in your heart for a while
When you get up in the mornin' and you see that crazy sun
Keep me in your heart for a while
There's a train leavin' nightly called "When All is Said and Done"
Keep me in your heart for a while
Keep me in your heart for a while
Keep me in your heart for a while
Sometimes when you're doin' simple things around the house
Maybe you'll think of me and smile
You know I'm tied to you like the buttons on your blouse
Keep me in your heart for a while
Hold me in your thoughts
Take me to your dreams
Touch me as I fall into view
When the winter comes
Keep the fires lit
And I will be right next to you
Engine driver's headed north up to Pleasant Stream
Keep me in your heart for a while
These wheels keep turnin' but they're runnin' out of steam
Keep me in your heart for a while
Keep me in your heart for a while
Keep me in your heart for a while
Keep me in your heart for a while*

“ It’s 11:00 pm the night before your services and In my mind I’ve convinced myself that if I never go to sleep that it will somehow stop tomorrow from happening. How do I say goodbye to my big brother? Memories flood my heart from the days of Lisbon Road to the last time I saw and spoke with you. Your smile, that laugh and your silliness. My heart is broken and I cannot fathom our lives without you in it. Time will never heal the pain of losing you or heal our broken hearts. One day we will all be together again, but until then know that we will take care of Christina for you. I love you and miss you❤️

A beautiful and heart warming tribute to a man who truly put the concerns and well-being of others before himself. Whether it be his profession or his inter personal relationships. In all the times I conversed with Jeff, it always began and ended with him asking how I and my family were doing and inquiring as to what was new in our lives. We are all blessed to have known Jeff. My prayers and thoughts to those who were closest to Jeff.

“ Thinking of the Kirkner family today, and remembering Jeff's smile and happy energy from our South Range and Boy Scout days. My father (Scoutmaster of Troop 116) always thought highly of Jeff (and the entire Kirkner family), and my family considered them to be outstanding people who made a community better simply by being part of it. May his memory be a blessing.

“ We are so heartbroken over Jeff's passing. Greg and I have had the privilege and honor of knowing him since our college days. We will cherish all the memories we have of him hanging out, laughing, smiling and being the quintessential Jeff - the life of the party, the silly one, the giggly one, the sweet one who never left anyone out. No matter what the occasion, when he was around it was always a joyous time. Our deepest condolences to Christina and the Kirkner family, and to all Jeff's friends and colleagues and to the many Jeff's kindness has touched. He will be very much missed.
