“ Dear Tim, Sue, Tim and David

We extend our deepest sympathy and prayers during this most difficult time. We pray and will continue to pray during the days, weeks, and months ahead that Jesus will comfort each of you and give you the strength and faith to live the life He has given each of us. Although we only knew Jeff for the briefest of time, we know how much you loved him and what a fine young man he was. Know that he is in the presence of God and that he will always be with us wherever we are. We wish you peace and stand ready to assist in any way needed.

With our love and prayers,

“ My deepest sympathy to your family and Jeff's friends. I went to North with Jeff. I was a year above him but cheered JV for him. I wasn't very close with Jeff but, he was a great friend to many, a great football player, and a wonderful person to know, and he will be missed. #6 in our hearts forever.

Deepest condolences

“ I'm very sorry to hear about Jeffrey. I would like to express the Bible's hope for the future. At John 5:28,29, Jesus spoke about the time when "all those in the memorial tombs will hear his voice and come out." Yes, the Bible shows that there will be a resurrection of the dead. What a wonderful time that will be!!!

“ Dearest Sue, Tim & Family:
It is with a heavy heart that we write this message to you all...we remember your parents with great love and when you moved next to our former home in Willowick! The arrival of your first Tim was a major event as I recall - we had many good discussions on that event and his subsequent care - we have nothing but good memories associated with our "neighboring".
We can't even imagine the grief associated with this loss but we want you to know that you ALL are in our prayers and will remain there throughout this trying time. If there is ANYTHING that Dad or I can do to assist in any manner, we hope that you will feel comfortable in contacting us or coming to see us. It is our hope that we may attend Jeffrey's wake provided Dad is in good enough shape to do so! Until then, God's Peace be with you and yours.
With much love and faith in our Lord, Jesus Christ, we remain,

“ *Tim, Sue and Family,*

We wanted to extend our deepest sympathy to you at this time. Having known Jeff in his younger years, through Flag Football days and having him in my PSR class, my heart goes out to you. I hope that you find some comfort in the many people that have been touched and hold you in their hearts at this time. There are not many words that help, but know that so many stand behind you.

His memories will live forever in your hearts,

Neal, Diane and Nick Mayer
