“ Jeff, my old friend, it's been awhile since we seen or talked but I often thought of you over the years and the times we had in our youth. R.I.P. my friend until we meet again!

“ Jeff was my cousin and best friend growing up. We were very close. We did so many things together. Over the past year I have enjoyed reminiscing about our childhood and teenage years. He remembered so much! He is at peace and rest now but this is not the end. I know I will see him again in the Lord!  
I love you so much Jeff!
