“ Jennie was a kind person. She always welcomed everyone whether she knew you or not. She worked hard at the District and it was unfortunate she died so young. May she find peace in the arms of our Loving Father. My sympathies go out to her family and friends.

“ A sweet and kind lady who was a devoted fan of the Cleveland crunch indoor soccer team in the late 1980s and through the 90s. She also participated every year in a charity bowling tournament. Never a cruel word, always a pleasant smile. She battled that damn cancer for years and now she is at peace.
