

Jessica Elliott

February 20, 1986 - November 9, 2023

Our hearts are heavy with sadness as we announce the passing of Jessica L. Elliott on November 9, 2023. Born on February 20, 1986, in Cleveland, Ohio to Margaret and Richard Elliott (deceased).

It was Jessica's kindhearted, spirited nature that made her stand out among the rest. While Jessica was a cheerleader in her younger years, as time passed, she was able to watch her daughter grow up and follow in her footsteps. She enjoyed spending time with her daughter, attending her football games, shopping together, and cruising, listening to music. Jessica was a loving mother, daughter, twin sister, niece, cousin, and friend to many. Jessica was very loyal, compassionate, and charming. She took pride in her appearance as well as her character. She was very hardworking. Jessica always lit up a room while entering. She was driven, strong, and had a beautiful personality. Jessica has touched the souls of many and will be deeply missed.

She is survived by her loving daughter, Kyleigh Habat, her mother, Margaret Elliott, and her sister Vanessa Elliott.

She was preceded in death by the father of her child, Daniel Habat.

Visitation will be held Thursday from 4:00 PM to 7:00 PM at Monreal Srnick

Funerals & Cremations, 35400 Curtis Blvd. Eastlake Oh. Inurnment will take place at All Souls Cemetery in Chardon Twp.

“ Jess was a kind, generous and beautiful person who was very special to me and I'm sure many others. She had a great sense of humor and I thought she was the most fun person to be around, and maybe sometimes the opposite ;p But I wouldn't trade my memories of her for anything and it's truly heartbreaking there won't be any more. I'm very grateful that I got to know her well and that we got to be a part of each other's lives, but it's just too soon to write this. She touched my life in a lot of ways that I'll never forget. She will be loved and missed dearly. My sincere condolences to Vanessa, Kyleigh, Margaret and anyone else who misses her.

“ *For my friend Jessica
Living Again
Running, Running
far away
Escaping dreams
of yesterday
Faster, Faster
there I go
Forgetting things
you'll never know
Dying, Dying
deep inside
Catching, Catching
up with me
No more running
from reality
Stopping, Stopping
let me cry
Finding away
to say goodbye*

*I will truly miss you Jessica and I send my deepest condolences to
your family*

“ *Jessica was a really good friend. She was very spiritual and she was always there if you needed her. She's one of the nicest people that I know and would give the shirt off of her back to anyone. We had so many good times together you're really my best friend And I can't believe you're gone. I love you Jess.*
