“ *Jessica and I became instant friends the moment we first met, our personalities just meshed together, and we had so much fun, every time we saw each other. I will miss her beautiful smile, her infectious laughter and her hugs....she always knew when I needed one, and her hugs were ready for me, anytime. She adored her family especially her son Ryland. She was my friend and I am sadly going to miss her with all my heart. But, I will smile at our memories, because those don't go away. I love you Jessica ❤️ Margoe*
