“ I just wanted to say to everyone on behalf of my entire family how thankful we all were to everyone for everything. We all lost one of the greatest persons I have ever known. I miss my grammy more than I could ever even begin to explain. We did so much together and we always had so much fun. I will always treasure our times together and I will always treasure her in my heart forever. I was very blessed to have a grandmother like her that I got to be very close with and that's something very dear and special to me. Even though I know she's gone, her spirit is with me always, watching over me and by my side forever. I love you grammy. Love always your Amanda

“ To our Auntie Joan,  
We all miss and love you very, very much! When you left us it was just so sudden.  
We all wish that you were just still here like your normal self, and wish that we all could have known our Auntie Joan longer than we did. We all lost our Auntie and its sad, but God took you to a more wonderful place where you don't have to suffer any longer! Now your in peace with all the flowers, beauty, and the rest of our family there. You will be in our thoughts and prayers forever! “ My sincere sympathy to you Chuck and your entire family. Joanie loved you all so very much. I will always remember the great girls\' weekend camping trips we shared out at Holiday Campgrounds. We had some crazy fun times. Joanie made the best 4th of July flag cakes and always made our parties and get-togethers fun for everyone. I will always treasure all the memories and the friendship that we shared. My life was blessed the day Joanie came into it. She is now my guardian angel watching over all of us. She will truly decorate heaven and make it an even more beautiful place. Love Donna Angels in Training Club member
