“ *To My Loving Wife*

To have had you in my life on earth was an honor and a privilege. Words cannot describe how much I miss you except to say you were my life, my friend, my soulmate,

my wife. They say time heals all wounds but I don't think that will work in this case.

As a mother to our children you were perfect and tireless and I often looked on with

amazement. We can be proud of our kids thanks to you.

You never thought of yourself first always others,

but in my heart you were always first. A famous quote states

"We are not put on this earth for ourselves, but are placed here for each other.

If you are always there for others, then in time of need, someone will be there for you."

Rest peacefully my love but I can never say goodbye.

You shall and always will be my Loving Wife.

Endless Love,

Your Husband Bob

“ Jody was a sweet and giving Cousin who gave me warm memories as we grew up going to family reunions , weddings, Birthday parties, etc. I will always remember her as a quiet hard working Daughter, Sister, Wife, and Mother who gave her all to the people she loved. God Bless you Jody. I pray for God's comfort and love to surround her loved ones during this difficult time.
