“ To my grandfather Pap,

I just wanted to say that even though you were not my grandfather by blood, you meant more to me than you could know. You were the only grandfather I knew so to me you were everything a grandfather should be. I hope that you are at peace now and forever, I will miss you so much more than I ever imagined I would. I will never forget you. I love you,

Barbara

“ Goodbye Pap..... You will be sorely missed. We all loved you more than you could ever know. Everytime I hear that back door open I will still be looking for you to come out, greet me and tell me just how much you enjoyed the hot weather and the sunshine on your face.

May the sunshine always on your face.

*Love,
Darlene Ciulla*
