“ There’s not a day or night that goes by without loving thoughts of you Johnny. There are no words to describe how deeply you are missed. I have deep faith you are watching over the children and your grandchildren. You’re in the Lords loving hands until we meet again💕💕

“ Ann and Family-  
I was both sad and shocked to read in the paper about John. I pray for the Lord to guide you through this horrible time. I have often thought of John and his family over the years. I hope the children will know that their dad will ALWAYS keep watch from heaven. He loved his family.
