“ Your family is in our thoughts and prayers. John was a very bright man. I enjoyed working with him and getting to know him personally. We appreciated getting to spend time with your family at the 4th of July parties. I know he loved all of you very much. He was so proud of Patrick when he came down with him and worked. He would always tell me how blessed he was to have a wonderful wife and great kids. I remember going with him to the jewelry store to get a necklace for Karen. I talked him into the earrings too! He said to me, you're right she deserves it. May God bless all of you always. Gloria
