“ He was the kindest brother I could have hoped for. I will never get tired of hearing stories about him from others. I hope people start bringing them up again. Although I understand not wanting to bring them up or having trouble doing so. It's been several years and I'm having trouble remembering one through tears. Looking forward to the time when my soul can joyfully dance around with his.

“ Remembering your Beloved John & Praying that he has found Peace along His Spiritual Journey in Paradise, surrounded by other young Souls who have Passed too soon. I am reminded of John whenever I think about my Son Mark who Passed suddenly two days after Father's Day in June of 2007. My heart breaks for your family as I know the pain of losing a child. I hope that this Message brings some Comfort to you at this time. May God grant you Peace. Our Cherished Memories of our Children are their Legacy to us. Ed

“ My Deepest Sympathy to you in the loss of your Beloved John. I can relate to your loss as a Dad who lost a young Son several years ago. I Pray that John has found Eternal Peace in Heaven and that you will find some Comfort in knowing that those of us who did not know your Son, are Praying for him. Our Sons are “gone too soon” but will always be remembered for the kind and compassionate Souls that they were. God Bless, Ed

“ John was my and my wife Kate;s Godson. We knew him and his siblings since they were born. We are blessed to have know him for these 17 years, especially the times that he and my sons got together and had a lot of fun. The news of his passing is crushing, but we must know that Almighty God is merciful and has John now in His loving arms. Blessed repose and eternal memory!
