“ *Betty Baker and Family,*
My deepest condolences for the loss of Jack. Jack played a large part of my young life growing up. How the Baker boys would take me for rides and do donuts on the icy roads. Jack\'s idea of a good cup of coffee would be a ride to Geneva. He was always there to support his friends. Jack always knew what he wanted out of his life and how it would be. He was always resectable and a gentleman. My kids and I will never forget him.
