“ I currently work at the Monreal Funeral Home. I miss my Uncle Jack dearly. Not a day goes by that I don't think of him. He lived with me and my family for almost 2 years until his passing. We took care of him, took him to the bathroom, stayed home from school to watch him, showered him, gave him food due to that he was paralyzed on one side. I just want to share this. He was a great and loving man. I miss you Uncle Jack
