“ *My heart goes out to Jan who was Jack's strength when he had none, and I pray that many will rally around to support you in this sudden loss.*

*In recent years, Jack was my best family friend. He loved me like a "blood brother" I never had -- with honesty, discernment, integrity, devotion, generosity, kindness, sacrifice, and always enthusiasm. I am realizing he was my most consistent source of human encouragement -- truly a gift from God I am very grateful for!*

“ I have many fond memories of my cousin. I always enjoyed the brief time we were able to spend together. Jack had a kind and generous heart and an enthusiasm for life that belied the several hardships he endured along the way. Eunice and my thoughts are with Jan who brought so much to his life. He was a really good buy and I will miss him.
