“ *I'm sorry about the typo in my condolences. I meant to type John
but mistakely was thinking "Danny" and typed Dan.*

“ I am so very sorry to learn of the unexpected loss of your son John. Danny, I thought you were one of the sweetest people in the world when we talked each time you came into Vineyards salon to get your nails done. I always enjoyed listening to your family stories and I know how much your family meant to you.

Paul, I haven't seen you since before I moved to Texas 10 yrs ago. My heart breaks for all of you.

I'm sorry I will not be able to attend the funeral as I live out of town. Please know that I will thinking of you all on Sunday and saying a special prayer.

I pray that the memories you all shared with Dan will help ease your pain and that God will give you the strength you need as you go through this very difficult time.

God Bless you.
I will keep you in my prayers.

“ Little did we know that morning that God would call you name.
In life we loved you dearly, in death we do the same.
It broke our hearts to lose you, you did not go alone.
For part of us went with you the day God called you home.
You left us peaceful memories, your love is still our guide.
And though we cannot see you, you are always on our side.
Our family chain is broken and nothing seems the same.
But as God calls us one by one, the chain will link again.
