“ John and I both were hired at Burger King around the same time. He was such a joy to work with; Always in a good mood no matter what and would bring a smile to everyone's face. I am honored to not only have worked with John for 5 years, but to call him my friend every since. Sending prayers and love to all his friends and family.

“ I remember the first time I met John, he came to interview for a job at Burger King. He was retired and he thought he would give it a try. All through training John didn't have much faith in himself. He kept telling me “ dont know if I can do this”the next 5 years we were together. John was a friend, someone that I could talk to @ 5 am. We have kept in touch all this time. John you were so loved by me and all the people that met you during the 5 years we worked together. You will always be in my heart ❤️ , and the memories we shared will always be with me. My deepest sympathy to Helga, Guy, Kristine and the rest of the family. I will always smile when I think of John.
