“ *"Little Johnny" he was always referred to as although not so little. I will always remember my cousin especially when he was a very young child coming over with his two brothers and what fun they had at our Grandmother's house and all the relatives. Especially enjoyed when he and his other two brothers(Ed and Andy) all got together and wrestled out in the yards and had such a fun childhood along with us other cousins too. Memories I will have always and cherish.*
