“ My name is Len Grandy and John hired me in 1969. JOHN was a caring man and always had time to listen and teach. Wanting to make me a better employee but also a better person . John made my job more interesting and enjoyable with learning something new everyday. Working for him I became familiar with his great smile and even better laugh. May God bless John Schuller and his family. My deepest condolence to his family on his passing. The world has lost a good man.

Thank you Mr. Grandy.  
Wondering which company this would have been with as his children were very young then.
