“ I would like to extend my heartfelt sympathy to the whole family. Jack often spoke to me about his grandchildren. I could tell by the look in his eye and the excitement on his face how proud he was of each and every one of them. Jack will not be forgotten.

“ I want to extend my deepest sympathies to the whole family. My fondest memories of Jack are the interesting stories he would tell and his jokes. I still have the leprechaun pin that he gave to me that he brought back from one of his travels to Ireland. It will always remind me of him. God Bless You, Jack!
