“ *To My Hoover Family: Your family is praying for you during this time- that has no other times that compare to it in life. The loss of a child, father, friend, cousin, and nephew, leaves a void no one else can ever fill, except The Father. I loved Jonathan so much. Bobby and Paul loved Jon so much. Linda and Kristopher loved Jonathan so much. Remembering his bouncy and playful spirit when he was a young boy and then through teen-age years through adulthood, everyone liked Jon. Because of his kind, loving and joyful spirit, he always had friends everywhere he went. He will be missed. We mix our prayers with your friends and pray God will give you a peace and understanding everlasting. We love you all very much.*

“ Carolyn and family, I am so sorry to hear of your loss. God bless you with the comfort only He can provide as you walk through your bereavement process knowing that faith in God will help you gain strength when you are weak. ...I remember sitting in your office listening to you - one mother to another - speak about your boys and the years of "boy stuff" that happens. Listening to you share your memories as we both smiled, laughed and shared similar stories that only boys can create let me know how strong your love is. It is that love that will see you through this difficult time. My prayers added to the prayers of others will uphold you and your family as we declare the comfort and peace of God to be your portion.
