“ Jones was the best boss and friend you could have. I always enjoyed his smile and positive attitude, as well as his stories growing up in SC. So sad to read of his passing. A truly lovely, respectful man!

“ I saw you on the train one day,
It was going so fast I did not have time to say,
Hello,and how is your trip so far,
Before you went into another car,
I wish I could have kept you longer
But just that brief meeting made me stronger,
I saw you on the train that day,
I wish you had never gone away

“ My condolences are extended to the entire Whitner family for the loss of their husband, father, and brother. I pray that the family stays encouraged and mindful that absence from the body is presence with the Lord. Jones was a good man and a good public servant for the State of Ohio to which he gave his every ounce of devotion. As one of his employees I learned a great deal and cannot thank him enough. He will be missed. God Bless. David A. Hammons

“ To Jones Whitner's family and friends: we wish to express our sincere condolences and heartfelt sadness for your lost. Our love and prayers are with you.
We worked with Jones at the Adult Parole Authority for almost 30 years and he became a very close friend. He was our "rock and go to" person in times of need and joy. We loved him so very very much and he will be missed by us all.
