“ To the entire Betarie Family,
my deepest sympathy and condolences. It was great growing up
right next door to all of you. It was so nice to see all of you again,
just not under these circumstances. I just wanted to let you know
that I was thinking of all of you and praying for all of you, too. Please
take care and may God be with all of you at this difficult time.
Sincerely,
Michelle

“ Mary: My deepest sympathy for the loss of your husband. Times like
these do not always treat us with anything but sorrow. However this
too will pass as you dwell on the good things you did together. I
always remember your smiling personality and the pleasure you
brought to people you served. So I'm thinking of you and praying
for you and I know you will be a mainstay in this community. GOD
Bless You and your family ...Ed Cunneen

“*Mary, my deepest sympathy to you and your family. Barbara called me at work on Friday and told me of this sad news..I know you remember me, the tall girlfriend that Barbara has known since grade school.. I remember you and your husband so well when I would stay over at Barb\’s for the night, and your mom would prepare one of her wonderful Sunday dinner\’s and all of you would usually be over...I know this is a heartache right now, but please know that the pain will lessen with time, and that memories of all the yesterdays, along with loving friends and family will get you through this difficult time.*”
