“ Elaine - I'm not sure if you remember me - I worked for Jeff for many years in the 1980s in Solon. I always thought and knew Jeff was brilliant and I learned so much from him. We had a lot of fun over the years. I am so sorry I lost track of him and thought of him often and wondered how he was doing. He was a real talent and my thoughts are with you and Julie on his passing.

“ My heart is saddened by your loss and my thoughts and prayers are with! I knew Jeff from the Mentor Senior Center for about the last eight years. We ate many hamburgers together! We would always try to find the best and biggest! He loved hamburgers so much. I gave him the nick name Whimppy! We spent a great deal of time talking about our dogs! We had that in common! He loved to talk about you Julie and show your picture off! He would have done anything for any of us if we needed something! He wife definitely be missed! So sorry, Kathy Schonauer
