“ I am very sorry that we lost Joe. He was an individual with a great heart! Chase and Marissa loved him so so much! He made them laugh over and over and was so very patient with them. I know that we will see him in heaven. On our last visit I talked to him about God and his beliefs and I want to assure you that he has Jesus in his heart! My mom will get to see and visit with him there! I love you Joe!! and will miss you oh so much!! I was looking forward to growing our relationship and helping you as you became a father and had your own kids but I will take comfort in knowing that I will have eternity to be with you in heaven in the future. GOD BLESS!
