“ My heart goes out to the wonderful Rieck family. Your dad was near and dear to all of the Dowd family's hearts! He always made you feel good with his awesome sense of humor. He is in heaven now with my dad and all of our great Shore Acres neighbors who have passed. Sending thoughts and prayers your way at this difficult time.

“ *My father-in-law was an amazing and wonderful man, whom I was happy to call "dad". It was a difficult and painful process to watch Alzheimer's disease take over him, but his joy and love for family can NEVER be forgotten. I just know that he is whole again and watching over all of us. I love you always and forever. Love, your daughter-in-law Diane*
