“ I sit here and think about all the good times that Josh and I had together. Josh and I lost touch throughout the years but I often thought of him as you never forget your first love and Josh was my first love. Who knows what would have happened had I never moved to Oklahoma but as I am writing this I can see his face the day before I left singing the words to Tim McGraw's My Best Friend both of us with tears in our eyes... The last thing that he gave me before I left was not a picture of him but a picture of his mustang. Josh was an amazing guy and a true friend. I wish I could be there today. I just wanted to extend my sympathy and condolences to his family. Especially Jan as she always made me feel welcome and like I was part of the family. You will be missed Josh. May you rest in peace.

“ *I can recall the fun times I had with this young man, playing basketball, throwing a football around, and trying to help him through school and helping him understand the importance of an education in life. I extend my sympathy and condolences to his family in this time of sorrow. May God bless you all and may he rest in peace.*
