“ Sending condolences for Joyce and loved ones. I had no idea she passed away, but she crossed my mind and in looking her up, came across this obituary. I also graduated from Kent State in 1985, but we worked together at APA in Cincinnati. Such a wonderful, and obviously memorable, person. Always sincere, compassionate, and just a wonderful person. Rest now, sweet Chisar.

“ Joyce
My 2-3 interactions with you told me I was in the presence of great love Jordan my 4 legged grief counselor also knew. He told me. 😊
I did not know you worked for APA nor that your birthday was on st Paddy's day the same as our beloved Mark Francis (3/17/93-5/7/19)
We got some catching up to do and that Marathon to run when I slip into heaven I'm counting on you and Mark to work some Irish magic on St Petey to get me in
I love you you were so kind and loving to me
WE/I will always remember and love you
