“ *I was one of Judy's co-workers. She was one of the most kind and beautiful persons I knew inside and out. I am a seamstress and one day Judy brought in this big orange T-Shirt and asked me if I could make a sleeveless top and shorts. I transformed that shirt to a 2 piece short set. She was so pleased. I took a picture with her holding the shirt and one of her wearing the short set. I don't know to put the pictures. I never saw her angry, she always smiled and was easy to talk too. My condolences to her family. She will be missed.*
