“ Dear Ron, Mrs. DeCrane, Karen, and all of Judy's family. I am so sorry that you've lost this wonderful person in your life. I knew Judy from when she was a little girl, and I was her neighbor and baby-sitter. As an adult and teacher, she taught me at LCC and gave one of my sons an education and love of computers that led to his success in the business world. When I think of Judy, I think of all the wonderful things about her during different times of her life. And I feel a hole in my heart knowing she's gone. My prayer is for God to give you comfort, strength, and peace as you deal with this tremendous loss in your lives. You are in my prayers.
