“ I am so very sorry for your loss. Judy and I were best friends in high school and as time went by we lost touch. Judy was such a fun person to be around and I have very fond memories of her. She loved her family immensely. I will miss her.

“ Please accept my sincere condolences on the loss of your loved one. During this difficult time the Bible is a wonderful source of comfort. Jesus promises us at John 5:28,29 that "...all those in the memorial tombs will hear his voice and come out...." May the hope of seeing your dear loved one again, as well as your fond memories, bring you a measure of comfort.
