“ I offer my sympathy to the family and friends of Ms. Babicki. It seems unfair that death has the power to take away someone we love. The Bible is comforting in this regard. It tells us to "throw your burden on Jehovah...and he will sustain you." You can read these words at Psalms 55:22. May you continue to rely and find comfort in reading the Bible.

“ I wish to extend my sincere condolences for the loss of Mrs. Babicki.

Isaiah 26:19 lovingly informs us: "Thy dead live, their bodies will rise again. They that sleep in the earth will awake and shout for joy...The earth will bring those long dead to birth again."-The New English Bible

May you receive much comfort and strength every time you think about this wonderful resurrection hope found in the Bible.

“ My condolences go out to you and your family for your lost. May you find comfort and strength in the hope that Jehovah God holds out for you. This hope is found at John 11:25,26 where Jesus said everyone exercising faith in him even though he dies will come to life and those living will never die at all. How comforting it is to know that you have the wonderful hope of seeing your loved one again will they are resurrected back to life. May you keep the resurrection hope in your hearts as you reflect on it for comfort now and in the future as well as the hope of death being done away with forever in Psalms 37:11,29 where it speaks of living upon the earth forever in peace. With this hope soon to come you will never again worry about sickness and death but will then enjoy everlasting life.
