“ John, Kelly and Family, Thou I did not have the honor of knowing Julian or your family, my son Luke attended the same pre-school with him. They were not in the same class however when Luke saw Julian's picture he got a huge smile on his face and told me "he goes to my school, he's my friend." I just wanted to share that at 4 yrs old he made a huge impact on all of those who knew him. You all are in our hearts and prayers, there are no words that can be said to express our deepest sympathies.

We're so sorry we could not attend the services but we are there in spirit. Julian sounded like pure sunshine, a human supernova. For his light outshined anything on any given day, his energy radiated more than in any ordinary person's lifetime and farther than anyone could've known. Take comfort in knowing how many people care about you and your family especially at this difficult time. Also, I'm sure Roy his teaching him how to play golf and will take him to the US Open!
