“ Tony and boys. I can't tell you how sad I was to read about Julie. She was much too young to be taken from you. But she will always live on in your hearts. My deepest sympathy goes out to all of you. But take heart that she is now with my Tommy having fun. Take care and God bless. Debbie Kenyon

“ Julie and Tony moved in as our neighbors about 35 years ago and Julie and I became best friends from that day forward. I will miss your deep laugh and your loving spirit. Your goodness and love for life always inspired me. You fought a long battle and I hope now you have finally found peace. You will be greatly missed by all who knew and loved you. See you in the next life. All my love to Tony and the boys.

“ Julie, always upbeat and accepting of her situation and taking each new day as a blessing, a practice all should have. I will always remember Julie as a mentor and a brave warrior. She is now free to walk on stars in another world. See you next time, Julie. Much love and respect to her beautiful family.

“ I will greatly miss Julie. My heart is broken. It was such a privlidge to care for her and my thoughts and prayers are with her husband and sons. We always talked about scouts. My boys are Cub Scouts and Julie would tell me Cub Scout stories about her boys: So blessed to have known her, she really touched me and I will think of her often.
