“ Uncle George, Gery, Lori, Nancy and Ron- I am so sorry for your loss. Although no words can really help to ease the loss you bear, just know that you are very close in every thought and prayer. Hold tight to memories for comfort, lean on your family and friends for strength, and always remember how much you are cared about- today and always! I have fond memories of our visits with Aunt Julie- from squeezing the fake grapes in an arrangement on the end table I just wanted them to be realto chasing Suzie from under the bed. We always had fun at your home. These and the other countless memories will remain cherished in my heart forever. She was a Wonderful Women.

“ Dear George, Gery, Lori, and Nancy,

My deepest sympathies to you and your family. Gery, I have fond memories of your mom calling out to us as we played in your yard as kids. Her sweetness is surely what makes you so kind and polite. I could not imagine a better family to grow up with. I miss you all.

Love, Keith Robellard

“ I am so sorry about the unexpected passing of Julie. My heart goes out to all of you. I wish that I could be there with you. The last time I was at her house, Julie shared her memories of my mom with me, and that was so special to me. I will always keep the memory of that. Now it's time to take good care of yourselves, like you lovingly cared for her.
