“ *I wish I had the words to comfort you,
In all your pain and grief.*

*But I know there is nothing I can say or do,
to help you find relief.*

*Your numbness will soon subside,
and the pain and tears will be real.*

*Just remember no matter what,
It's ok to feel what you feel.*

*Each day may seem like a burden,
sometimes it will be hard to face.*

*But they will never stop loving you,
just because they're in a new and better place*

*They will live on in your hearts,
you will all have memories to share.*

*And when your time on earth is through,
with open arms, they will be waiting for you there*

*Love and Prayers with ALL of YOU!
Love, Peace, and Blessings,
Gayle Jack's cousin*
