VL

Prayers and hugs to you all. Carl always reminded me of your father. I had such a crush on Carl and loved it when Olga made him drive me home. Carl had this thunderous laugh at times and it was like hearing your dad. He had the best smile and most beautiful eyes. Rest in Peace Carl and thank you for all the rides home. (can't believe we were born in the same city, I didn't know that). Love Vlatka
