“Karl, I just wanted to take a minute to let know how much you were loved. You have been in my life for a very long time and I am very grateful for all the memories we have made over the years. There was nothing that I couldn't talk to you about. I wish we had more time but I am also relieved that you are not suffering anymore. I am so glad that you were able to be in Jordan and Braylon's life, even if it was for a short time . You will always be grandpa Karl ❤️ I'll always remember the holidays we spent together as a family and all the deep talks we had over the years . I'm glad you are finally at peace and able to see Dakota again .. until we see each other again. You will always be in my heart ❤️ I love you . Fly high angel 🙏

“Grandpa, thank you for all the amazing memories and all the good times we had while I was growing up. You seriously made such huge impact on my childhood and I cannot thank you enough for that. I will always remember the camping trips we went on and all the walks in the dog park with grandma. You also made an incredible cheesecake that is unforgettable. Your love for my family was so pure and I appreciate that so much. It's so sad to see you gone so soon but I know you're so happy to be with Dakota again. You will be missed. I love you forever - Taylor

“Karl we will miss you. I tried to think of a special memory to share, but there are so many. Our trip driving out west, our trips to Maine with Dakota. The beautiful light houses, covered bridges, and fresh lobster. Camping, fishing and watching the browns on Sunday's. I guess the best would be out walks with the grandkids, Kyle and Taylor and the dogs, Dakota, Sadie, and Bailey . Just walking in the woods letting the dogs run free. I will always treasure the years spent together and the fun times we had. Your battled well, now you can rest and be with Dakota I will miss u greatly, with love Debbie ❤️🐶🌈

I knew from day one that we would only have a short time together but we agreed and filled every minute together with fun and laughter you are so stoic that you seldom gave in to the pain. I love you so much and I know we will be reunited again. We are a twin flame. And so it is.

My heart goes out to you wayne and you also Zoran. To Pat grace and Theresa / you all did a wonderful job of keeping him where wanted to- his own bed. He said to me many times that he couldn't ask for 2 wonderful big sisters. Thanks to many people who loved him. Aho. And namaste. Peace
