“ I was deeply saddened to hear that Mrs. Flynn had passed away. I have wonderful memories of her from my childhood. She was an elegant, charming lady who always had a smile. Mrs. Flynn was a special person & I'll cherish the memories I have of her...always willing to help out. I remember some wonderful parties at the Flynn house where Mrs. Flynn always made everyone feel so welcome. Our families were very close & I'll always cherish those memories. I'll keep her & the family in my prayers. Please let me know if there's anything I can do for you....  
All my love, Bette Anne
