*While Kathy and I weren't friends very long she was a good one. We bonded over cats and she ended up adopted Charlie from me and would send me weekly messages about his antics and told me when she wasn't feeling well he was right by her side. Kathy and I went to couple of concerts over the summer and I'll never forget how excited she was about the Keith Urban concert. Kathy was very caring and I can't believe she's gone and I miss her.*

“ *Kathy was a big part of my teen years, meeting at school in our child care class. We spent every possible day together. Weekends were full of cruising Vine street in search of boys, haunted houses were our thing during Halloween. Teen nights at the clubs were a must 2 nights a week. Double dating every weekend with her boyfriend and my now husband was a great time. She was sweet, funny, caring and kind. The best friend to whoever she was spending time with. She's with her Mom and her love Ted now but I'll miss her until we meet again.*
