*My sister was one of the greatest gift our loving God could bestow on me and my family. She made a big difference in people's lives wherever she went. I was always her "big sis" and she would sign cards and notes to me as my "Little Sis". Her passing was a shock because she was so full of life. It's only been a couple of days but already seems like a lifetime that's she's been gone. We have to say so long for now but not forgotten. As believers in Jesus we have the hope we will be together again in a new world where we don't have to say goodbye. I love you Kathy.
Your "big sis".*
