“ I heard the word about Katie's illness through our circle of friends email chain and immediately my heart sank. I unfortunately heard of her passing through the same email circle and could not make the services in time. I will pray for the Rolik's and hope they find a way to heal from this loss.

“ Since I knew that katie was very ill, I couldn't stop think about her and her family. One year ago I lost my mother and I know what the Rolik's are going through. My heart and my prayers are with you all.

“ I am very sorry to hear about Katie passing on. My father called me this morning and shared the sad news with me. She will be in my thoughts and prayers. I have asked my mother to take special care of her and I pray that there is no more hurt or harm where she is now.

Much sympathy,
