“ When your heart is empty, filling it with happy memories can help you find your smile. I have fond memories of Kathy. We bowled together and always had a great time, laughing and enjoying friends. Kathy, Glenn and I celebrated a New Year's Eve together in the mid-1980's and had loads of fun. I'm sorry for your loss and I know that Kathy will be missed.

“ *I have known Kathy since we were in Junior High School. I feel so honored to have had a friend for that many years. From school days to getting married and having families. Being there for each other through good times and bad. She was one of the strongest people that I have ever known. She will be greatly missed, and never ever forgotten.*
