“ So sorry to hear of Ken’s passing, I enjoyed a professional/personal relationship with Ken for over twenty-five years. Professionally I will always remember Ken for his professional approach, knowledge and his wiliness to always go the extra mile to make sure everything was done with his personal touch and approach. Personally, I will always remember Ken for just how much he loved his family and how proud he was, as he always spoke so fondly of his family. My sincere condolences, Kevin A. Ziegman
