LO

“ I remember when he was born,
I was so excited that day,
I was only seven
And he lived a few streets away.

His mom would let me feed him
From bottles till he ate food
Those memories are precious
And all of them were good.

I certainly will miss him
We stayed close thru the years
And now today, I mourn him
I'm shedding many tears.

But I never will forget him
Those memories are near
Of a cousin that I loved
And always will hold dear !

Love, Lois
